

## A GRAND DEMOCRATIC VICTORY

Indiana Elects the Hon. Thomas R. Marshall for Governor by Majority Estimated at from 5,000 to 35,000—Other Democratic State Officers Probably Will Be Elected Also—Marion County Democrats Elect All of Their Candidates.

## RALPH MOSS TO GO TO CONGRESS

Howard Maxwell, the Rockville Candidate, is Defeated Morgan County, Usually Republican, Rallys to the Support of Mr. Moss v s Him a Majority—F. C. Tilden, Candidate for Joint Senator, Receives Majority in Every County in His District and Easily Defeats Thomas T. Moore.

## FULL RETURNS ARE NOT YET AVAILABLE

Exact Majorities Probably Will Not Be Known for at least 24 Hours—Everything, However, Points to Great Victory for Democracy—State Legislature Probably Will Be Democratic—Taft Probably Has Carried the State by a Small Plurality—Republicans Concede Election of Marshall, Tilden and Moss.

Thomas R. Marshall, Governor  
Ralph Moss, Representative in Congress from the fifth district.  
F. C. Tilden, Joint Senator from

Elected Joint-Senator of Morgan, Marion and Putnam Counties by large plurality. Mr. Tilden defeated Thomas T. Moore of Greencastle, who was candidate for re-election.

Morgan, Marion and Putnam counties.

State Legislature probably Democratic.

Putnam County Democratic.

Marion County Democratic.

This is the news from the early returns of yesterday's election:

Mr. Marshall is conceded to be elected by the Republican state committee. It places his majority at 5,000. The Democratic committee claims a majority of 35,000 for Mr. Marshall.

In complete returns from the fifth district show that the Honorable Ralph Moss of Clay County will succeed Elias Holliday in Congress. He secured big majorities in Morgan, Putnam, Vigo, Clay and Park counties. His majority is estimated at 1,200.

F. C. Tilden carries each of the counties in his district and is elected to the state senate. The counties in the district are Putnam, Marion and Morgan.

Putnam County elected all its candidates by a majority of near 500.

Marion county returns show that the Democrats have elected their legislative and county tickets. Their majorities are estimated at from 2,500 to 5,500.

The Democrats are claiming that Mr. Bryan has carried Indiana, but the Republicans say that Mr. Taft will get the electoral vote of Indiana. This is a close race, however, and it will not be fully decided until

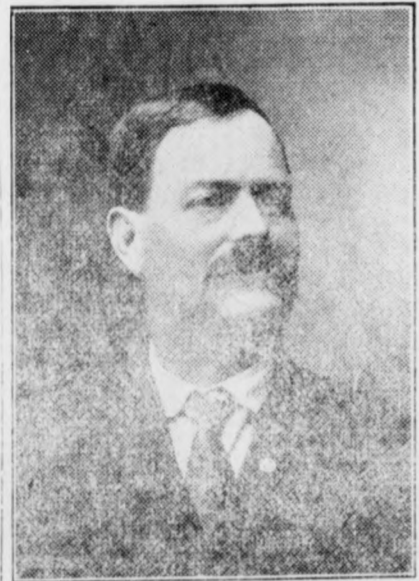

complete returns reach Indianapolis. Taft, it is generally believed will carry the state by a small plurality. Mr. Bryan lost Marion county by 500.

The Democratic state committee at noon today claimed that they would elect 10 members of Congress Jesse Overstreet, in Marion County, was defeated for Congress by 500 F. C. Tilden, it is claimed carries the Marion county by 1500. There is no doubt but that Mr. Moss is elected the state committee says. He will have a majority of near 1200 to 1500.

## MARSHALL LEADS IN PUTNAM

Democratic Candidate for Governor Received 575 Plurality Over Watson—Bryan Carried County by 493 on Two Electors and by 465 On the Other.

Thomas R. Marshall led the Democratic ticket in Putnam county. Mr.

## ELECT WHOLE STATE TICKET

LATEST NEWS FROM INDIANAPOLIS IS THAT ALL DEMOCRATS ARE ELECTED AND THAT THE REPUBLICANS CLAIM ONLY TWO OUT OF THE THIRTEEN CONGRESSMEN.

## GIVES US A U. S. SENATOR

Legislature Sure to be Democratic in Joint Session—Everything Points To Big Majority for Mr. Marshall—Latest Estimate Places Majority Of Governor and Entire State Ticket at Near 20,000.

The entire state Democratic ticket has been elected by a majority of near 20,000. This is the latest news from Indianapolis. The Republicans have elected 2 out of the 13 congressmen and the Joint-State Legislature is sure to be Democratic.

This means that the Democrats will send a United States Senator to Washington this winter. Mr. Marshall probably will lead the other state officers but by a small margin.

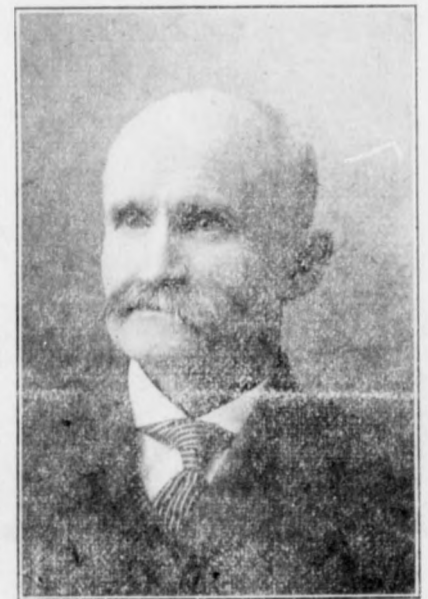

## THE TOWNSHIP SITUATION

Returns From Most of the Townships Show Hard Fought Battles With a Result of a Democratic Victory.

## WE GAIN TWO AND LOSE ONE

The political battle in the townships was close and hard. In several townships minor differences divided the Democrats, and the same was true in some Republican townships. The fight was especially hard in Jefferson, Monroe and Clinton townships as the vote shows.

The Democrats managed to win a substantial victory even under the adverse circumstances. They lost one township that has been Democratic since the history of Democracy began, but they carried two that were Republican the last election. The Republican townships are now Washington, Warren, Greencastle and Russellville. The Democrats lost Washington and gained Monroe and Jefferson which has heretofore been Republican.

Putnam County elected a Washington Township man as its Commissioner from the Third District. Mr. Houck is well qualified for the position to which he is elected.

The winners in the various townships were as follows:

Greencastle, George Landes, Republican, trustee, 182 majority; Geo. Cox, Republican assessor, 99 majority.

Washington township, Addison Chew, Republican trustee, 103 majority; William Dreher, Republican assessor, 14 majority.

Jefferson township, Oliver Stringer Democrat, trustee, 3 majority; Hiram Larkin, Democrat, assessor, 9 majority.

## MORGAN COUNTY FOR MOSS VIGO STRONG FOR MOSS

Returns From Republican County Show That Both Ralph Moss and F. C. Tilden Receive Majorities—Morgan County in 1904 Gave Holliday 529 Majority—Small Majorities For Democrats.

Candidate for Congress in the Fifth Congressional District Secures Majority of 2428 Over Howard Maxwell in the Terre Haute County—Holliday had a Plurality of Over 5,000 Four Years Ago.

## CARRIES COUNTY WITH THEM BRYAN GETS ONLY 300 VOTES

Indications from incomplete returns from Morgan county are that it has gone for Moss and Tilden. In 1904 Morgan county gave Mr. Holliday a majority of 529. This year, it is said, that both Mr. Moss, candidate for Congress, and F. C. Tilden, candidate for Joint Senator, have carried the county by a small majority. It is probable that the Democratic ticket, or part of it at least, has been elected in Morgan county.

Parke county also has given Mr. Moss a majority for Congress.

## LATER.

The returns from Morgan county indicate that Mr. Tilden lost that county by six votes, and Mr. Moss was beaten on that county by thirty votes.

D. B. HOSTETTER.  
Putnam County's Representative elected to succeed himself in the next General Assembly. Mr. Hostetter lives in Franklin Township. He has made a splendid record in the past sessions of the State Legislature.

Ralph Moss, Democratic candidate for Congress, carried Vigo County by

ALEC LANE.  
Greencastle and Putnam County elected Alec Lane to succeed himself as Surveyor of Putnam County. Mr. Lane is Democratic County Chairman and has made an excellent record in the past as Surveyor. Mr. Lane resides in Greencastle Township

a plurality of 2428. Four years ago Mr. Holliday, Republican, carried the same county by over 5,000. Mr. Marshall's plurality in Vigo was 2727.

The Bryan slump was very noticeable there. In Vigo the Commoner received only 300 majority. Mr. Moss's large plurality in Vigo County assured him of his election.

## BURNT BY ACID

James Sallenberger, a freshman, had his face and arms badly burned yesterday afternoon by sulphuric acid, while at work in the chemical laboratory. The services of a physician were required to dress his burns.

## BIG CROWD HEARS RETURNS

BULLETINS IN FRONT OF HERALD OFFICE LAST NIGHT DRAW LARGE CROWD—EARLY RETURNS SHOW THAT TAFT IS CARRYING EAST BY ROOSEVELT MAJORITY—DEMOCRATS A DISAPPOINTED LOT.

## INDIANA SENDS CHEER TO THEM

Reports Received From Indianapolis Late Show That Democrats Will Make a Clean Sweep With Their State Ticket and Good Cheer Returns to the Democrats—Many Stayed at Office Until 1 O'clock.

The election returns shown on a screen in front of the Herald office Tues night drew a large crowd. Most all of the Democrats who were down town and hundreds of Republicans gathered in front of the office to hear what was doing in the political zone. The crowd began to gather as early as 6 o'clock.

As the minutes passed by the crowd increased and by 7 o'clock the street was a mass of humanity. The early returns were not at all pleasing to Democrats. The returns came from New York and showed that Taft was going to carry the East with a Roosevelt majority. Better news was awaited but it did not come. The Democrats were about to give up when news came that Indiana would probably elect its Democratic state ticket by a large majority. Then the crowd began to cheer up. Marion County was reported 5,000 Democratic. Things

G. E. RAINES.  
Chosen to succeed himself as Commissioner from the Second District. He lives in Marion Township. Mr. Raines' record as Commissioner has been excellent. His record was his issue in the campaign.

looked better.

The Democrats immediately took heart and stayed it out. Many were at the office until 1 o'clock. By that time Marshall's election was assured. Putnam County was known to have done its duty by rolling up a good Democratic majority. Indiana Democrats knew that they had done their duty and went home happy.

## A CHANGE IN HENDRICKS

County With Normal Majority of 1200 Elects a Former Putnam County Man to the Office of Sheriff—John Ader is Elected by Majority of 162—Democrats Also Elect 7 Out of 12 Township Trustees.

## MAXWELL A SMALL PLURALITY

John Ader a former Putnam County man, was elected Sheriff of Hendricks County by the Democrats of that county yesterday by a majority of 162. Hendricks County normally is Republican by 1200. The Democrats also elected seven out of the 12 trustees.

Howard Maxwell the Republican candidate for Congress received a majority of only 445 over Mr. Moss, in Hendricks County.

## WANT COLUMN A WINNER

Herald Ads Find Many Lost Articles Which Are Returned to Their Owners—Mrs. Bessie Clark of Fillmore Gets Watch Lost by Her Last Saturday.

Last Saturday Mrs. Bessie Clark of Fillmore lost her watch while in Greencastle. Mrs. Clark immediately put a want ad in the Herald. Today Mrs. Clark secured her watch. It was returned to the Herald office by the finder. He had read the Herald and learned that the watch had been lost by a Putnam County woman.

The Herald's want column is finding something for somebody most every day. If you don't believe it ask Mrs. Clark what she thinks of the Herald's want ads. She will tell you. A few days ago the Herald found a valuable cornet which was lost by one of the members of the

Mt. Meridian band. These want ads have secured cooks for housewives, found lost money, secured girls for general housework and in fact anything you want. Try them. It will pay.

### How is Your Digestion?

Mrs. Mary Dowling of No. 228 8th Ave., San Francisco, recommends a remedy for stomach trouble. She says: "Gratitude for the wonderful effect of Electric Bitters in a case of acute indigestion, prompts this testimonial. I am fully convinced that for stomach and liver troubles Electric Bitters is the best remedy on the market today." This great tonic and alternative medicine invigorates the system, purifies the blood and is especially helpful in all forms of female weakness. 50c at the Owl drug store.

## THE LAST DAY OF TAXES

Putnam County People Crowd the Office of the County Treasurer in Attempt to Liquidate Public Debt Without Delinquency.

### \$81,000 IN LAST FIVE DAYS

The last day for paying taxes without the addition of 10 per cent for delinquency passed Monday. It was a strenuous day in the treasurer's office, as was also Saturday. People who had put off the paying of taxes till the last crowded into the sanctum of the county official and begged to be given a chance to liquidate. That things were doing is easily seen when it is stated that something over \$81,000 was taken in at the treasurer's office in the last five days.

All taxes were not paid, however, and there will be money coming to the county for some time yet.

### SPRING IN DRY WEATHER

Water of Excellent Quality Begins to Flow From the Ground in Clay County.

A farmer whose name we failed to learn, residing in Perry township, told of an unusual occurrence on his farm recently. The long drouth had caused a creek to become dry near his home that had furnished water for his stock for twenty years and for several weeks the farmer had to carry water a long distance for his stock. The wells on his own farm were getting low, as was the case with the wells of his neighbors, and he began to wonder where he would get water for his stock when, to his astonishment, the other morning he discovered that a spring had broken out in the dry branch which will furnish an abundance of water for his stock.

## DePAUW LIBRARY DEDICATED

Beautiful New DePauw Building is Consecrated for the Purposes for Which it Was Built With Noteworthy Exercises.

### BOARD OF BISHOPS COMES HERE

DePauw University has had many noteworthy ceremonies and exercises in the years that are passed, but none more noteworthy and significant than the dedicatory exercises of the University Library. The fact that the new building is a library is in itself significant of the progress and prosperity of the university. It bespeaks the fact that class rooms and laboratories have been supplied, and that now the less necessary but equally important features are receiving time and attention.

Again the exercises were noteworthy because, perhaps for the first time in DePauw's history, the full board of bishops of the Methodist church were present at a dedication. The board was in session in Indianapolis. A car was chartered on the interurban road by Hugh Dougherty, president of the Board of Trustees of DePauw and the bishops and their wives were brought here as guests of the university. The special car arrived shortly before two o'clock and the bishops were taken at once to the Ladies Dormitory, where luncheon was served, the trustees and faculty of the university acting as hosts. A most delightful hour was spent at the tables.

After luncheon all adjourned to Meharry Hall where brief exercises were conducted. These exercises were very informal, the distinguished visitors being introduced to the audience, each making a short address. When this part of the program was finished, the bishops, the trustees, the faculty and those who had contributed to the endowment fund of the new library formed a procession and marched to the building where the final dedicatory rites were performed.

The bishops present were Bishops McDowell, McIntyre, Hughes, Bashford, Warren, Nuelsen, Moore, Quayle, Neely, Berry, Spellmeyer, Anderson, Cranston, Wilson, Goodsell

Deceased was almost 87 years old but had been unusually hale and hearty for a person of her age up to the time she took her bed. She came to this neighborhood from Illinois several years ago with her son's family and many warm friends she has made here by her kind and cheerful disposition. Being very industrious, her chief pleasure seemed to be in working for her loved ones and all through her confinement to the bed she was greatly worried lest she could linger too long and thus cause too much trouble in caring for her. Although her sickness was of a serious nature from the first that did not worry her at all as she expressed herself as ready and willing to go. Her life was truly a beautiful character and justly worthy of imitation. At time of this writing the funeral arrangements are not yet complete, owing to the absence of a son in Missouri who is expected.

**OBITUARY**

Edward Perry Gose.

Edward Perry Gose, for the past nine years employed as a car inspector for the Southern railway died at his home on north Washington Street Saturday morning, October 17, 1908, at 7:30 o'clock of a mastoid abscess. He had been unable to work for several weeks but his condition was not regarded as serious until Thursday night, when his sufferings became intense and continued so until the end.

Deceased was born in Putnam county, June 20, 1869, where he grew to manhood. March 29, 1899, he was married to Miss Lucy Showalter at Greencastle, Ind., to which union were born two children, Dorothy and Kenneth, whose ages are seven and four. In his early manhood he united with the Methodist Episcopal Church at Greencastle Junction. He was a member of Huntington Lodge No. 161, Knights of Pythias, having passed through the chairs a few years ago. He also belonged to Twin River Lodge of the Brotherhood of Railway Carmen located at Princeton. He was a man of excellent personal habits, diligent in the performance of his duties, and devoted to the welfare and comfort of his family. Among his fellow employees he was highly esteemed and was generally regarded as a good and useful citizen.

Besides his devoted wife and two children, he leaves his father, mother one sister and one brother to mourn his untimely death.

Funeral services were conducted by Rev. J. A. Breeden, pastor of the M. E. Church at the late residence of the deceased Monday afternoon at 2 o'clock and was largely attended.

The remains were interred in Fairmount cemetery, the beautiful ritualistic ceremonies of the Knights of Pythias being performed at the grave. A delegation of Carmen from Princeton was also present at the funeral services and burial.—Princeton, (Ind.), Exchange.

**George Busby.**

George Busby was born in Bracken County, Kentucky, April 11, 1836, and died October 25, 1908. He with his parents, Hiram and Nancy Busby, came to Putnam County when he was quite small. He was the fourth child of a family of fourteen, and naturally endured many privations during those early days. Of this large family only three remain, namely: Mrs. James Wood, Mrs. John Wood and Nathan Busby of Windom, Kansas. In this same county he grew to manhood and was married to Hannah Boone, third daughter of Daniel and Malinda Boone, February 19, 1861. To this union were born six children—four daughters and two sons. Clara, now Mrs. W. S. Torr living in her home neighborhood; Harriet, now Mrs. C. L. Torr of Muskogee, Okla.; Mattie, who died in 1883; Malinda, now Mrs. A. S. Curtis of Putnamville; Laurence of Greencastle and Frank, who with his family has always lived at the home of his parents. These with their mother and five grandchildren, Misses May and Maude and Master Clarence Torr of Muskogee, Okla., Miss Edna Curtis and Master George Wm. Busby are left to mourn the loss of a kind husband, a good father and a loving grandfather. He was a plain, industrious, honest man, upright in all his dealings ever observing the Golden Rule. His friends were unnumbered, little, big, old and young alike loved him for his sociable and cheerful disposition.

John Hagerdus, a Hungarian, Falls From Train at Delmar and Both Legs are Cut Off—Died at Hospital in Indianapolis Following an Operation—Was Stealing a Ride.

**THE VICTIM IS BROUGHT HERE**

John Hagerdus, a Hungarian laborer, fell from an east bound freight train at Delmar at 2:58 o'clock Friday morning and both of his legs were cut off just above the ankles. The Hungarian was stealing a ride on the train. He was found a little while later by the crew of the west-bound train and brought to Greencastle.

Upon his arrival here Dr. McGaughey was called and decided to take the man to Indianapolis. The doctor left with his patient at 6:08 o'clock.

Upon their arrival in Indianapolis the victim was taken to a hospital and both legs were amputated just above where they were crushed by the train. The Hungarian was very weak from the loss of blood and exposure and could not stand the shock. He died at near 10 o'clock.

Little is known of the man. It is believed his home is in Whiting. He said he was looking for work and was stealing his way on freight trains.

A glorious Democratic victory.

Putnam County Democrats 'did nobly.'

The Democrats made good gains but they wouldn't do.

We wonder where Charley Zels will get his endorsement for recommendation for postmaster.

Think of it. Morgan County went Democrat. Both Moss and Tilden received nice pluralities there. And it is normally Republican by near 300.

Indiana does not afford either party much opportunity to jolly and burn red fire. With Taft elected the Democrats can say little, and with Marshall in the state house the Republicans are not jubilant. It is a stand-off so far as the ability to "roast" is concerned.

We trust that the good Republicans who voted for Watson and his reputation to save the state will not be too much disappointed in case the Democrats do not establish a wide-open state. This morning they were prophesying this result and acted as if they would be very sorry if their prophecies did not come true. Such is the political point of view.

Mr. Bryan defeated is still Mr. Bryan, a man of power, entrenched in the hearts of his party. He will not be lost sight of because he has failed to be elected. The campaign has cost some men their reputations, notably the president of the United States. But it has left Bryan as strong with the honest people of America as ever. He will no longer be a political factor. He will always be one of the leaders of American political thought.

TAFT AND SHERMAN  
ARE ELECTED.Republicans Carry New York, Successful Candidates Will  
Ohio, Indiana, Illinois  
and West Virginia.

New York, Nov. 4.—The next president of the United States will be William Howard Taft, Republican, of Ohio. The next vice president will be James Schoolcraft Sherman, Republican, of New York.

This is the verdict returned by the majority of the 15,000,000 voters of the United States. The Republican candidate has repeated Mr. Roosevelt's feat of carrying every northern state, giving him a clear majority in the electoral college of 113 over William Jennings Bryan, the Democratic candidate. Mr. Taft will receive 298 electoral votes to Mr. Bryan's 185. The latter also lost West Virginia, which went to Mr. Roosevelt four years ago, but has gained the one electoral vote which Maryland gave to the Republican candidate in 1900. Oklahoma, the state created since the last presidential election, has enrolled itself, as expected, in the Democratic column.

The states considered doubtful before the election have gone as follows: Maryland, Democratic; Indiana, Republican; Nebraska, Democratic; New York, Republican; Ohio, Republican, and West Virginia, Democratic. In most of these states the vote is close, especially in New York, where Charles Evans Hughes, Republican, has been re-elected governor by 54,000 votes. Taft has carried the state by 100,000.

Results in the East.  
Pennsylvania has gone Republican by 250,000 majority and New Jersey by 75,000, the figures in 1904 being 505,519 and 80,598 respectively. Connecticut is Republican save in a few cities and towns, but Congressman George L. Lilley, the Republican candidate for governor, ran behind Mr. Taft.

The lower house of the Sixty-first congress will be Republican by about its old majority. The senate will remain Republican. Speaker Cannon has won his fight for re-election by his usual majority.

Most of the great cities of the country have gone Republican, with the exception of New York and Chicago. In each of these cases, however, the rural Republican majority has been sufficiently large to offset the Democratic urban vote. St. Louis has gone Republican, while the rest of Missouri is heavily Democratic.

Central States for Taft.

Ohio, Indiana and Illinois, the great central states, with an aggregate of sixty-five electoral votes, have gone Republican despite the fight made to bring them into the Democratic column. Governor Deneen in Illinois, Republican candidate for re-election, retained his seat, but Thomas R. Marshall, a Democrat, will succeed him in Indiana, and Harmon, Democrat will succeed Harris in Ohio.

The Republican hope of carrying Kentucky proved vain in spite of the victory of Wilson, Republican, in the gubernatorial contest last year. The greater part of the state's congressional delegation will be Democrats.

The Pacific coast states, California, Washington and Oregon, have given their votes to the Republican candidate, but Nevada, which voted against Parker in 1904, gave its votes this year to Bryan. Montana, the Dakotas and Minnesota are again Republican, but Governor Johnson's personal popularity has sufficed to seat him again in the gubernatorial chair of the North Star state. Wisconsin, Michigan, Iowa and in fact the entire West and Northwest are Republican, but, as noted above, by lowered majorities.

The South Still Solid.

The "solid South" is still solidly Democratic. Mr. Bryan polling the usual large majorities. Only in Maryland has the Republican party made serious inroads on the Democratic vote, and in that state not sufficiently to change the result. Delaware, about which some doubt was expressed before the election, has gone Republican. The New England states have gone for Taft and have elected Republican governors, but the vote in Rhode Island, where the Democrats made a strong fight, is very close. In Massachusetts the Independence party candidate for governor made a good showing, though running far behind the vote of Thomas L. Hisgen last year.

New York city has been carried by Taft, the first time the Republicans have carried the greater city since 1896.

## PENNSYLVANIA IS REPUBLICAN

Party's Vote Cut Down in Cities Where Labor Element is Strong.

Philadelphia, Nov. 4.—Pennsylvania has gone Republican by a majority of 250,000. In 1904 Roosevelt carried the state by 505,519, and two years ago Stuart, Republican, was elected governor by 48,435. This city, Pittsburgh, Harrisburg, Altoona and other cities have given Mr. Taft pluralities, but Scranton, Wilkesbarre and towns in which the so-called "labor" vote is strong have gone Democratic.

The election in Pennsylvania turned almost entirely an national issues, the highest state officer voted for being a judge of the superior court. For

that office William D. Porter, Republican, has been elected by a majority of about 50,000 over Webster Grim, Democrat.

The vote in the country districts was, as usual, heavily Republican. The state's representation will again be Republican in the Sixty-first congress, the Democrats having gained only one seat. The figures will be as follows: Republicans, 24; Democrats, 8.

## BRYAN CARRIES HOME STATE

Democrats Win in Nebraska by Small Majority.

Omaha, Neb., Nov. 4.—Nebraska has gratified the hopes of William Jennings Bryan by going Democratic.

Governor George L. Sheldon, Republican, has been re-elected by a majority of 10,000. The personal popularity of Mr. Bryan in his home state and of Mr. Sheldon accounts for the difference between the governor's vote and that of Mr. Taft. The state's present congressional delegation, five Republicans and one Democrat, stands.

## Bryan Silent on Election.

Lincoln, Neb., Nov. 4.—"I do not desire to discuss the result of the election at the present time," said Mr. Bryan after the returns were received here. "At a later date I shall probably have something to say, but now I must beg to be excused." The Democratic candidate's own city gave Mr. Bryan a majority.

## CONNECTICUT FOR TAFT

Carries State, but by Greatly Reduced Majority.

Hartford, Conn., Nov. 4.—Despite the efforts made to place Connecticut in the Democratic column, the state has given its vote to the Republican candidate. Mr. Taft's majority, however, fell far below that of Mr. Roosevelt four years ago. Congressman Lilley has been elected governor by 5,000 despite the opposition to him on account of the submarine boat matter and the opposition to him in his own party. Five Republican congressmen have been elected, and the state legislature will be Republican.

The leaders of both parties in the state expressed great interest in the growth of the Socialist vote, which increased from 2,932 in 1906 to 5,250 this year.

## Close Vote in Colorado.

Denver, Nov. 4.—Colorado, which gave Mr. Roosevelt a majority of 34,582 in 1904, has gone Democratic, but by less than 5,000. Jesse F. McDonald, however, has been elected governor on the Republican ticket, and three Republican representatives have been chosen.

## North Carolina.

Raleigh, N. C., Nov. 4.—The Democratic national ticket has carried North Carolina by a majority of 30,000, the Republican ticket making gains throughout the state. W. W. Kitchin has been elected governor.

## The Electoral Vote.

The electoral vote is as follows:

INDIANA SPLITS  
ITS BALLOTSWhile Electing Taft It Chooses  
a Democratic Governor.

## RESULT OF A BITTER CONTEST

The Election of Thomas R. Marshall, Democratic Candidate for Governor, Over James E. Watson, Was Offset for the Republicans by the Latter Carrying the State's Electoral Vote for Taft by a Very Narrow Majority — Indianapolis Elected Complete Democratic County Ticket.

Indianapolis, Nov. 4.—For the first time since Thomas A. Hendricks was elected governor on the Democratic state ticket and U. S. Grant received the electoral vote of the state for the Republican national ticket, Indiana has given a plurality to the Republican candidate for president, William H. Taft, and elected Thomas R. Marshall, Democratic candidate for governor. Whether Marshall will carry the rest of the state ticket with him is a matter of conjecture. According to the latest estimate Mr. Taft received a plurality of about 15,000, and Mr. Marshall was victorious over James E. Watson, Republican candidate, by about 8,000.

The congressional representation from this state will probably be seven Democrats and six Republicans. The latest returns credit the Democrats with six and the Republicans with five members, with two districts in doubt—the Fifth and Seventh, with chances favoring the Democratic candidates.

The legislature is in doubt. Marion county with its twelve members of the legislature went heavily Democratic for the county ticket and carried down with it the Republican legislative candidates and possibly Congressman Jesse Overstreet. One of the Republican leaders who has been looking after the election of state legislators, conceded that the law-making body is very close, but he adhered to the opinion that the lead the Republicans have in the seventeen holdover senators will save it to the Republicans on joint ballot and insure the re-election of Senator James A. Hemenway.

Among the things ascribed by the Republican leaders for the defeat of Mr. Watson, the probable loss of the legislature, possible defeat of Congressman Overstreet, and the election of a Democratic county ticket, are the liquor question and the labor vote. Just previous to the election Governor J. Frank Hanly called a special session of the legislature, and a county local option law was passed after a bitter fight with the "liberal" element. This law was approved by Mr. Watson and the Republican candidates in their speeches, and in the election Tuesday that element worked for the success of the Democratic state and county ticket. There was also much agitation against what was termed "county graft" against the county officials of Marion county, who were Republicans and this was an additional aid to the Democratic candidates.

The Republicans have carried the First, Sixth, Ninth, Tenth and Thirteenth congressional districts; the Democrats the Second, Third, Fourth, Fifth, Seventh, Eighth, and Twelfth. The Eleventh is doubtful.

## OBITUARY

Samuel H. Judy.

Samuel H. Judy, son of William and Delilah Judy and the oldest of a family of eight, was born at Mt. Sterling, Ky., on the 9th of August, 1841. Mr. Judy married Miss Clay Hathaway November 5, 1868. This union was blessed with six children of whom Samuel H. and Mamie preceded their father in death, leaving Katie H., Blanche, Mattie Lee and Fant—all left with their dear, good mother to mourn their loss in the death of a good husband and father. Mr. Judy leaves also, one brother, Andrew Judy of Mt. Sterling, Ky., and two sisters, Mrs. Elizabeth Huffman of Kansas City, Mo., and Mrs. Lee VanArsdale of Sulphur, Okla. When a young man he united with the Christian Church at Old Somerset, Ky., and remained a faithful member there until he removed to Indiana in 1883. In a short time after his arrival he transferred his membership to the Somerset church near his home where he remained a faithful member until death, which came at noon, October 10, 1908. Brother Judy was one of the well-known and respected citizens of this county. His character was established on the principles of sobriety, integrity, industry and gentleness. He kept good faith with his family, his church and his country, and was most highly esteemed by his neighbors. He served this county as commissioner for six years and was also directly connected with the building committee of the court house, having part in planning and carrying out plans which have resulted in one of the best court houses of the state and one that is the pride of every good citizen of this county. Mr. Judy made no claims to any special gifts of any kind, but his disposition to be kind, good and honest in every service of life made him highly respected by everyone. The death of this father, citizen and christian is lamentable but the large circle of mourners are left with a steadfast hope that all is well. The funeral services were conducted at Brick Chapel by Rev. W. H. Brown and interment made in the

cemetery there on the 12th of October, 1908.

### PUTNAM MAN IS KILLED FACES A SERIOUS CHARGE

FRANK BARNETT, WHO LIVES NEAR REELSVILLE, MEETS DEATH WHILE WALKING TO DELMAR FRIDAY AFTERNOON—HIT BY A PASSENGER TRAIN AND DEATH PROBABLY WAS INSTANTANEOUS.

#### WAS GOING TO BUY TIMBER

Victim Had Been Here in Greencastle To Attend Rally and Pay Taxes—Tax Receipt was Means of Identification—Head Crushed and Arms and Legs Broken.

Frank Barnett, aged 40 years, was killed Friday afternoon between this town and Delmar by Big Four passenger train No. 16. The train which is due here at 1:30 o'clock was running about two hours late. The train stopped and took the body to Delmar and Coroner Ed Lynch was notified and went after the body.

A tax receipt given by county treasurer Walls yesterday, which the victim carried in his pocket was the means of the identification of the body.

Mr. Barnett, who deals in timber, had come to Greencastle yesterday to attend the Democratic Rally and pay his taxes. Yesterday afternoon he started to walk to Delmar to buy some timber. As he was walking along the tracks he was struck and killed. The tracks are double between here and Delmar and it is believed that Mr. Barnett, at the approach of the train, became confused and stepped upon the wrong track and was struck.

The victim leaves a widow and seven children. Two daughters are married and five lived with their parents. His parents, Mr. and Mrs. Joseph Barnett also live at Reelsville.

The body was taken from the Lynch Undertaking rooms to Reelsville this afternoon. The funeral will be Sunday. Interment will be in the Wesley chapel cemetery.

#### HAWKINS-CRAWLEY WEDDING

A quiet wedding, which came as a surprise to their friends occurred last night at the home of Dr. and Mrs. E. Hawkins when their only daughter, Gertrude, was united in marriage to Mr. Clarence E. Crawley, the popular bookkeeper at the Greencastle Lightning-rod factory. Rev. J. S. Hoagland was the officiating minister. After the ceremony Mr. and Mrs. Crawley went to their home on the corner of Poplar and Water Streets where they are now at home to their friends.

LUTE EVANS, TOWNSHIP TRUSTEE OF WARREN TOWNSHIP, SITS UPON ELECTION BOARD, WHEN CHARGES THAT HE MADE WAGERS ON THE RESULT OF THE ELECTION ARE MADE AGAINST HIM.

#### TRUSTEE TO BE PROSECUTED

Money is in Hands of Joe Kleinbub, Who Cashed Check Given Him by Mr. Evans—Outtowsheip Man Says The Money Was Not His and That He Was Acting for Another—Election Law Plain.

Lute Evans, trustee of Warren Township, and election inspector today, faces a serious criminal prosecution. Mr. Evans was charged yesterday with having made a wager on the result of the election. The law provides that it is a criminal offence for any man having a bet on the result of an election to act as a member of an election board.

It is alleged that Mr. Evans bet \$50 to \$10 that Taft would be elected. He made the bet, it is said, with a man by the name of Johnson in the Gardner saloon. Mr. Evans wrote out his personal check for the amount and placed it in the hands of Joe Kleinbub, barber, as stake holder.

When taken before the Board of County Commissioners yesterday and charged with having a bet on the election, Mr. Evans made an affidavit to the effect that he had made no wager on the election. He claims that he bet for another man.

He was told that he could either resign from the board or be prosecuted if he stayed on. He refused to get off of the board and probably will be prosecuted to the full extent of the law for his action.

Mr. Evans is a Republican and trustee of Warren Township.

## STEPPED ON WRONG TRACK

Coroner's Inquest Into the Cause of the Death of Frank Barnett Held This Morning in the Office of John H. James—Train Crew Gives Evidence.

## VICTIM BECAME BADLY CONFUSED

The inquest regarding the death of Frank Barnett, killed Friday afternoon by a Big Four train just east of town was held in the offices of J. H. James Monday morning by Coroner Lynch. Barnett was a Reelsville man and had started to walk from Greencastle to Delmar to buy timber when the accident occurred.

The engineer and fireman of the train which killed Barnett stated this morning that the accident occurred about two and one-half miles east of Greencastle. They say that Barnett was walking east on the west bound train track, when the train came up behind him. The engineer blew the whistle and Barnett stepped from the west bound track onto the east bound track. The engineer blew the whistle again and Barnett looked around but did not get off the track. The train was running very fast when it struck him and he was killed instantly.

## THOUGHT IT WAS A JOKE

S. A. Hays Finds Horse and Buggy Tied in the Driveway at His Home And Takes it to the Livery Barn—Rupert Bartley and Police Look For Missing Rig for Several Hours

## FINDS IT ON SUNDAY MORNING

Mr. and Mrs. Rupert Bartley drove to the home of Earl Hurst Saturday night to attend a Hallowe'en party. After hitching his horse out in front Mr. Bartley remembered that it was Hallowe'en night and fearing some one would get his rig and drive it away he took it and tied it in S. A. Hays' driveway, where he believed it would be safe.

Mr. Hays arriving home and finding the rig in his driveway, believed that some one had stolen it and tied it there as a Hallowe'en joke. Mr. Hays took the rig to a livery stable.

When Mr. Bartley went after his rig and found it gone he believed someone had taken it and was driving it. The police were notified and together with Mr. Bartley they looked for the horse for several hours Saturday night. Finally they gave up the hunt. Sunday morning Mr. Bartley found his rig safely stowed away in the livery barn.

## HIGERT--HELM WEDDING

A beautiful home wedding was solemnized last night at the home of Mrs. Augusta Higert, the contracting parties being Mrs. Higert's daughter, Miss Alma Therese Higert, and Mr. Carl Franklin Helm of Indianapolis. Dr. H. A. Gobin, officiated, using the full ring ceremony. The rooms were beautifully decorated in palms, smilax and cut flowers carrying out a color scheme of pink, green and white.

In the door-ways and arch between the parlor and music room, were hung wedding bells of pink and white, draped with festoons of smilax. The mantels were banked with pink and green carried out in foliage and pink chrysanthemums.

At 7:30 the wedding march was played by Mrs. Harry Helm and the bride and groom unattended came to their places before an altar of potted ferns, palms and chrysanthemums and here the ceremony which made them one was pronounced. Refreshments were served in the dining room which was beautifully decorated, and lighted by green shaded candles. On the table was a beautiful French basket of pink roses and violets.

The bride wore a beautiful gown of hand-made lace battenberg over white satin in Directoire style. The going-away dress was a toupe-colored tailored suit, with hat to match. Following the ceremony Mr. and Mrs. Helm left over the interurban for Indianapolis where their handsome new home is already furnished at 1610 East Vermont Street. The wedding was essentially a home one and no invitations were issued, the only guests present being relatives. The following from out of town were here Mr. and Mrs. Helm, Mr. and Mrs. Harry Helm, Victor Helm, Miss Lela Helm, Mr. and Mrs. George Alig, Mr. and Mrs. W. Widdop and sons, Mr. and Misses B. Schumer, Mrs. Pfafflin, Mrs. Bertha Pfafflin, Mrs. Aufderherder, Misses Tillie Aufderherder, Margaret Widdop, Stella Alig, Adele Schriener, Nellie Bell and Charlotte Pfafflin, Miss Eva Gibbons, all of Indianapolis; Mrs. George Weber of Terre Haute, and Mrs. Mattie Starr of Milton.

## MR. AND MRS. BITTLES SURPRISED

Saturday was the twenty-fifth anniversary of Mr. and Mrs. R. Bittles and a few of their friends and families gathered at the home of Jesse Weik, about noon with well-filled baskets and walked in on the Bittles family surprising them completely. It took Mrs. Bittles several minutes to compose herself but she proved herself equal to the occasion. It did not take long to lengthen out the dining table and unload the baskets of provisions and the table fairly groaned with everything that was good to eat. Mr. and Mrs. Bittles were seated at the end of the table with Mr. and Mrs. H. C. Allen beside them, it being rumored that it was their anniversary also, but not the 25th. They had been married a few years also. After all had gathered around the table "Praise God From Whom all Blessings Flow" was sung. Dr. Hoagland offered prayer. After all had been bountifully supplied Mrs. Weik in her inimitable way made a speech and presented the bride and groom with one-half dozen silver spoons. In the afternoon the guests were delightfully entertained with music by Miss Alta and Frank Bittles and Miss Alice Potter. All were reluctant to leave the beautiful home where love and happiness reigns supreme but there was more to follow for Mr. and Mrs. Bittles. Fourteen of their friends from Roachdale came down on an afternoon train and surprised them again bringing with them a silver card receiver to show their love and good will. Miss Alta assisted by Mrs. Weik served a two-course lunch to the guests which was duly appreciated and in the wee small hours the guests departed wishing them many happy returns of the day.

## HOME DESTROYED BY FIRE

Residence Belonging to Mike Kelley, One and One-Half Miles Southeast Of Town, Burned to the Ground Late Yesterday Afternoon—Loss Of Near \$600 Is Partially Covered By Insurance.

## CAUSE OF CONFLAGATION UNKNOWN

Fire totally destroyed the home of Mike Kelley, one and-half miles southeast of town Sunday afternoon at near 5 o'clock. The loss of near \$600 is partially covered by insurance.

Mr. Kelley was alone in the house when the fire started. He was just preparing to come to town when he discovered the blaze. He believes it started in a wardrobe but does not know what started the fire.

Mr. Kelley attempted to extinguish the blaze but it gained very rapidly and soon the house was a mass of flames. In attempting to extinguish the flames Mr. Kelley's hand was badly burned and the attention of a physician was needed.

The house and virtually all of its contents were destroyed. Mr. Kelley had bought the property October 6 and had at that time taken out insurance. The insurance, however, will not cover the entire loss.

## MRS. THOMAS HURT

Mrs. Aaron Thomas living on the farm of Andrew Black west of town met with a peculiar and very serious accident on last Saturday evening. Mrs. Thomas in company with her son, Robert, had been in town and drove hom at dusk. The young man got out of the buggy to open the gate and Mrs. Thomas drove through. The mule they were driving suddenly shied and ran about twenty rods. When the young man came up with the buggy, Mrs. Thomas was getting out and he saw that she was hurt, her face being covered with blood. She walked to the house but it was found that her skull was fractured. Physicians were called and it was found necessary to remove a small portion of the fractured skull. Mrs. Thomas' condition is very critical. The cause of the accident remains a mystery. It is believed by some that she was kicked by the mule and by others that the starting of the animal threw her forward on the dash-board. Another theory is that some one mischievously threw a rock which struck the unfortunate woman, but nothing is definitely known.

## "The Blood is The Life."

Science has never gone beyond the above simple statement of scripture. But it has illuminated that statement and given it a meaning ever broadening with the increasing breadth of knowledge. When the blood is "bad" or impure it is not alone the body which suffers through disease. The brain is also affected, the mind and judgement are clouded, and many an evil deed or impure thought may be directly traced to the impurity of the blood. **Pure, impure blood can be made pure by the use of Dr. Pierce's Golden Medical Discovery.** It cures and purifies the blood thereby curing, pimples, blotches, eruptions, and other cutaneous affections, as eczema, tetter, or salt-rheum, laves and other manifestations of impure blood.

In the cure of scrofulous swellings, enlarged glands, open eating ulcers, or old sores, the "Golden Medical Discovery" has performed the most marvelous cures. In cases of old sores, or open eating ulcers, it is well to apply to the open sores Dr. Pierce's All-Healing Salve, which possesses wonderful healing potency when used as an application to the sores in conjunction with the use of "Golden Medical Discovery" as a blood cleansing constitutional treatment. If your druggist don't happen to have the "All-Healing Salve" in stock, you can easily procure it by enclosing fifty-four cents in postage stamps to Dr. R. V. Pierce, 663 Main St., Buffalo, N. Y., and it will come to you by return post. Most druggists keep it as well as the "Golden Medical Discovery."

You can't afford to accept any medicine of unknown composition as a substitute for "Golden Medical Discovery," which is a medicine of known composition, having a complete list of ingredients in plain English on its bottle-wrapper, the same being attested as correct under oath. Dr. Pierce's Pleasant Pellets regulate and invigorate stomach, liver and bowels.

## SAVED \$40 BY CAREFULNESS

P. T. Allen, a Greencastle boy, who is clerking in a store at Gary, Indiana, Took Money From Cash Register of his Employer Because He Feared a Visit by Robbers.

## BURGULARS MAKE A BIG HAUL

The dry goods store of Lewis Goodman between Sixth and Seventh Avenue, was entered and robbed Monday night of material including some costly silks, amounting to \$1,000.

Judging from the tracks in the sand there were two men who gained entrance to the store through a rear window on the second story. Once in the second story they went to the first floor where they helped themselves. In tracing them this morning the police found several bolts of goods along the street.

P. T. Allen, a clerk in the store, who rooms upstairs with the Goodman family, went to the cash register that night and took out forty dollars to carry it upstairs for safe keeping. He remembered having heard a noise last night, but it was not distinct enough to have roused him out of bed.

## OLD TIME FORCEPS.

When the Thing Was Turned Something Had to Give Way.

And speaking of teeth reminds me that the country doctor had to draw them when they ached. The dentist's artistry had not attained the elevated plane it occupies today, when everybody's mouth shines like the inside of a communion cup. I honestly believe the modern dentist has more different kinds of tools than even a sanitary plumber, and that's a whole lot when you come to count them up. The modern dentist hates the worst way to draw a tooth. Nevertheless if the modern dentist must draw the tooth he has a particular forceps for a particular tooth, and a cruel hearted and cold looking thing it is too. It puts you so in mind of a successful financier. When you brace yourself in the iron chair and take a tight grip on the arms of it and make up your mind you'll try to stand it and he gets that forceps well under the gum and—wait a minute! I feel so kind o' faint! Laws! Why didn't I mind my mother when she told me not to crack hickory nuts with my teeth? Well, anyway, you know he'll get the tooth out without doing more than take the whole top of your head off, and that only in a figurative sense.

Uncle Doc had one implement that did for every tooth, big and little, front and back. It wasn't a forceps; it was a turnkey. The real old folks know what that is and will say so with the cold chills running over them. But you've never seen one, and many a man that you would call old has never seen one. It's something like a canthook. The loosely riveted piece that curves slips over the tooth and catches on the inside; the solid cam bears on the outside gum; the operator turns the handle. Let's not talk about it. Something has got to give. Maybe the tooth will come out; maybe it will break off; maybe the jaw will fracture. All those are details. The main point is that if the operator twists the handle something has got to give, and that's all there is about it.—Eugene Wood in Success Magazine.

## A GENTLE REPROACH.

Telling Retort of the Lamblike, Violet Eyed Beauty.

There is a certain young woman who is beautiful, with that childish, wistful, innocent looking, violet eyed beauty which reduces one-half the feminine world to tears, the other half to utterly helpless rage. We all know the type, but it is seldom given us to see it in such perfection. We usually associate it with a lamblike, appealing mentality that permits itself to be ridden upon—as soon expect a wood violet to turn and rend you.

A short time ago she was asked to a woman's luncheon and got herself up for the occasion in a way that made the result of her efforts a thing not easily forgotten. She arrived looking so lovely that there was little said among the guests for a few moments after her entry into the room. Perhaps she felt the silence. At all events, she turned to the woman standing nearest her and said in a childish voice, with ever such a little lip and pretty southern accent:

"How well you are lookin' today!"

It was a well meant civility from a young woman to an older one, who seemingly was unable to accept it as such and put up her lorgnette, sweeping the speaker from top to toe. What she saw was enough to disconcert a younger and prettier woman than herself, but even so one finds it difficult to justify her next move.

"Wish I could say the same for you," she returned, closing her lorgnette with a snap.

One or two of the guests were friends of the pretty woman and almost stopped breathing in order not to miss what they felt sure would come—and it came. The pretty one raised her eyebrows slightly, then said, with an air of gentle reproach:

"Why don't you be like a lady, like I do?"—Rehoboth Sunday Herald.

### What He Needed.

A sovereign would tempt many men, and when I walked, making one purchase after another, saw one lying on the floor just by the counter he quivered with excitement.

Gauging around to reassure himself that none was looking, he quite accidentally dropped one of his kid gloves neatly on the coin and then dived. He got the glove all right, but still the sovereign remained.

A shopkeeper approached him. "Good morning, sir," said the man, rubbing his hands together in the approved style, "and may I show you a bottle of our celebrated liquid glue, which sticks?"

—London Mail.

### The Cellar Stairs.

A man who once had a bad fall when going down his cellar stairs now has a broad strip of white painted on the floor at the end of the last step. This is easily seen, even if the cellar be dark, and many a nasty accident is avoided. If the house is rented and you do not like to paint the boards a piece of white oilcloth can be tacked to the floor at the foot of the stairs. See that the tacking is securely done or a worse fall may follow than from a misgauged step.—Philadelphia Press.

### Dodged.

"I got my wife through advertising." "Then you'll admit that advertising pays?" "I'll admit that it brings results," was the cautious reply.—Louisville Courier-Journal.

No man can be provident of his time who is not prudent in the choice of his company.—Jeremy Taylor.

## QUIET ON ELECTION DAY

Balloting in Greencastle and Putnam County Went Off in a Smooth Manner and There Was No Trouble of Any Consequence to Mar the Peacefulness at the Several Voting Places.

## MANY CHALLENGES WERE MADE

The election in Greencastle and Putnam County went off in a quiet way. The day was not marred by any trouble of importance at the polling places. In fact the day was exceedingly quiet for a national election day.

There was much challenging in the several precincts and the votes of several were refused by the inspectors. These were in cases where the men who attempted to vote were not legal voters.

Emery wheels are made by pulverizing pieces of emery and then mixing just with clay into suitable molds and firing like earthenware.

## What the Greatest Trust Company in Indiana is Doing for the Farmers

The Indiana Trust Co. is the oldest and largest Trust Co. Savings Bank in the state. It has a capital of \$1,425,000.00, resources of over \$7,500,000.00, and is the Repository of the State and County Funds. This big, strong bank is the great central banking house of Indiana farmers. So extensive is its business with country customers that it maintains a

### Farmers' Banking Department

which gives to farmers throughout the state the same banking privileges enjoyed by manufacturers and merchants. The secret of its great success is a simple plan of BANKING BY MAIL. This plan makes it easy for farmers to deposit or draw out money without leaving home. The Indiana Trust Co. 3% interest on time deposits or savings — "The Safe Rate." If you have money lying idle, you are losing interest money every day. The experiences of some of the bank's customers is interesting.

### Interest Would Have Clothed Two for Three Years

One farmer, in making a \$2,000 deposit, said: "This \$2,000 has been lying idle for THREE YEARS. I'm mighty sorry I didn't deposit it here long ago, as it would have earned \$600 per year—or \$180.00—enough to have clothed my wife and I for three winters!"

### Interest Would Have Paid for Handsome Span of Horses

Another farmer, who deposited \$4,000, said: "This money has been lying idle for three years. I regret that my attention was not called to your institution sooner." No wonder—for in that three years the \$4,000 would have earned \$360, which would have purchased a handsome span of horses!

### An Education in Thrift

The Indiana Trust Co. encourages young folks on farms to save money. One dollar is enough to start an account. "Money saved is money earned"—and when small sums are deposited instead of being spent foolishly, they really earn 100 per cent. Few people realize that \$3.00 a month (18 cents a day), with interest at 3%, amounts to \$33.77 in 5 years, or \$39.44 (practically \$40) in 10 years. Put your savings, large or small, in the Indiana Trust Co., and see them GROW!

## McCONNELL IS PRESIDENT

BROOKLYN CLERGYMAN IS UNANIMOUSLY ELECTED TO FILL CHAIR VACATED BY BISHOP E. H. HUGHES—TRUSTEE MEETING LASTS TWO HOURS AND A HALF.

## DR. TOWNE MAKES ANNOUNCEMENT

Ground on Which New Library is Located is Given to the University by George Farris, of Terre Haute.

At the special meeting of the Trustees of DePauw University which was held Friday morning, very little business was transacted other than accepting Bishop Hughes' resignation and unanimously electing Rev. F. J. McConnell of Brooklyn, N. Y., to fill the chair thus vacated.

The meeting was called at eleven o'clock and after a preliminary session of handshaking, President-Bishop Hughes gave his fiscal report of his connection with the university. At this time he also presented his resignation.

nation, as his duties as bishop would not allow him to fill the president's chair of DePauw at the same time. His resignation was accepted.

The subcommittee and original committee appointed for the selecting of a president then made their reports. These committees strongly advocated the election of McConnell. These reports were accepted and after little discussion the trustees voted unanimously in favor of the Brooklyn clergyman.

Following this Dr. Towne made a short report on the new library which was dedicated in the afternoon. Among other things he announced to the trustees that the ground on which the new library is located was purchased and presented to the university by George Farris of Terre Haute.

## WETS DEFEAT CLAY DEMOCRAT

Clay County, according to reports, has an illustration of practical politics that is worth studying. The civic league, a branch of the Anti-Saloon League has taken a leading part in the Clay County political fight. The

candidate for clerk on the Democratic ticket had always been a strong temperance man, but following its usual course the league would be satisfied with nothing less than a public declaration, and further dragged the candidate from his bed at midnight to secure his signature to a remonstrance. Both the
